Treasurer's report

Chris Salter reported on the county finance for the year ending 30/4/2011 which has improved but doesn't include this year's Gloucestershire Open which wasn't as good as last year as we were down on numbers. Copies of the accounts were issued at the meeting.

Chairman's Report

Pete Salter gave his chairman's report and issued a copy to those present. Pete highlighted the success of the clubs in the county and the help that was around in the county, for example Lorraine O'Connell helping at the Gloucestershire Open with an excellent buffet selection.

AOB

Elaine O'Connell's help as the secretary, as she is standing down after three years of doing the job so Izabelle is taking over from her she is still attending the meetings though.

Next County meeting is the 20th March at 7pm.
